BIOSOLIDS EDUCATION VIDEO WINS

COVETED WEF PUBLIC EDUCATION AWARD FOR 2003

The Water Environment Association of Ontario produced video - **THE NATURE OF BIOSOLIDS** has been selected by the Water Environment Federation's Board of Directors as the recipient of the most prestigious 2003 Public Education Award – Member Association Category.

The Award will be presented at WEFTEC 2003, the WEF Annual Conference, in Los Angeles, California, thus affording **WEAO** the public and professional recognition deserved. **The Awards Ceremony will be held on Tuesday, October 14, in the Concourse Hall of the Los Angeles Convention Centre at 5: 15 p.m.**

During WEFTEC 2003, a "**HALL OF EXCELLENCE**" with photos of all 2003 award recipients will be featured in the Concourse Hall.

Sincere congratulations have been received by **WEAO** from William J. Bertera, Executive Director, WEF on our video being selected for this significant honour.

AS FELLOW MEMBERS OF WEAO, WE SHOULD ALL BE VERY PROUD OF THIS ACCOMPLISHMENT.
