

In keeping with the Water Environment Association of Ontario's (WEAO) New Professionals (NP) commitment to continuing education through technical development, the WEAO NP Committee is very excited to offer a facility tour of Ashbridges Bay.

The WEAO NP Committee has been created to represent those WEAO members with ten (10) years or less experience in the wastewater industry, or less than 35 years of age. Our primary goal is to aid in the technical and professional development of new individuals entering the wastewater treatment industry, as well as encourage participation of New Professionals in WEAO activities.

Please join us for this opportunity of technical development, networking and social interaction on Saturday October 14th @ 9:00 am. Registration for individuals will be done on a first come, first serve basis. In order to register for this event, participants must be a WEAO, WEF, OWWA member, or a student registered at an accredited university or college. Individuals interested in attending this event, who are not members of the previous listed organizations, can register by contacting Julie Vincent (WEAO Executive Administrator) at 905-410-6933 for details regarding WEAO membership. Please return the complete form to Julie Vincent (WEAO Executive Administrator) via facsimile at 905-410-1626 no later than **Friday October 6, 2006 by 12:00PM.**
