

# PLANT TOUR

## ASHBRIDGES BAY WWTP

In keeping with the Water Environment Association of Ontario (WEAO) New Professionals' (NP) commitment to professional development through continuing education, the WEAO NP Committee is pleased to offer a facility tour of Ashbridges Bay Wastewater Treatment Plant (TP) located at 9 Leslie Street, Toronto, ON.

The Ashbridges Bay TP is the largest of four wastewater treatment plants operated by the City of Toronto. Located in Toronto's east end, the plant is rated for an annual average flow of 818 MLD and serves an equivalent population of approximately 1.5 million people. Treated effluent is discharged to Lake Ontario.

The tour of the Ashbridges Bay TP, hosted by Toronto Water and Veolia Water, will focus on the solids dewatering and pelletizing facilities within the treatment plant. Other plant processes will also be toured as time permits.

Please join us for this opportunity of technical development, networking and social interaction.

**Date:** Saturday, June 19th, 2010

**Time:** 9:00 a.m. to 12:00 p.m.

Please meet at the front security gate at 8:45 a.m. – tour will be leaving promptly at 9:00 a.m.

**To Register:** Return the completed form (on next page) to Julie Vincent (WEAO Executive Administrator) via facsimile at 416 410 1626 no later than Wednesday, June 16th, 2010. Please register early as registration is limited.

In order to register for this event, participants must be a member of WEAO, WEF, OWWA, or a student registered at an accredited university or college. Please note that all seminars and tours held by the WEAO New Professionals are free for all registered members. A \$10.00 + GST fee applies to all non-members. Contact Julie Vincent at 416-410-6933 to obtain membership information.

**Tour participants must supply their own personal protective equipment (safety shoes and hard hats).** Tour participants who are unable to supply their own PPE must contact Dale Jackson ([dale@acgtechnology.com](mailto:dale@acgtechnology.com)) or Selvi Balcioglu ([selvihanb@yahoo.com](mailto:selvihanb@yahoo.com)).

Ashbridges Bay WWTP is located at 9 Leslie Street, Toronto, ON. From Don Valley Parkway, take the exit toward Lakeshore Boulevard East, turn right (south) at Leslie Street and continue to the destination at 9 Leslie Street.

**About Us:** The WEAO NP Committee has been created to represent those WEAO members with ten (10) years or less experience in the wastewater industry, or less than 35 years of age. Our primary goal is to aid in the technical and professional development of new individuals entering the wastewater treatment industry, as well as encourage participation of New Professionals in WEAO activities.
