

Canadian Water and Wastewater Association  
Association canadienne des eaux potables et usées

# Communiqué

**No./No:** 007/10

**Date:** January 27, 2010

**To/À:** Prime Contacts, CWWA Board of Directors, Crisis Management Committee

**Subject/Sujet:** CSA Standard on Risk Management released for Public Review/ La Norme CSA sur le management du risque, parue pour examen public.

(Le français suit )

CSA Standard Q850-10 had been posted to the CSA Public Review website. It is at this time an English only document.

This is a guidance standard to accompany CAN/CSA-ISO 31000 Risk Management - Principles and Guidelines, which has been adopted as a National Standard of Canada.

The intent of Q850 is to provide further guidance to Canadian stakeholders on implementation of CAN/CSA-ISO 31000. Official copies of CAN/CSA-ISO 31000 are available through the CSA On-Line Store.

Public Review closes on March 21, 2010. Members who would like to review and comment on the draft can do so through the CSA website: [https://review.csa.ca/opr/opr\\_list.asp](https://review.csa.ca/opr/opr_list.asp)

.....

La norme CSA Q850-10 a été affichée sur le site internet d'Examen public de l'Association canadienne de normalisation (CSA). Actuellement, Il est disponible uniquement en Anglais.

Il s'agit d'une norme d'orientation pour accompagner la norme CAN / CSA-ISO 31000- Management du risque - Principes et lignes directrices, qui a été adoptée comme Norme nationale du Canada.

L'intention de la Q850 est de fournir de nouvelles orientations pour les intervenants canadiens sur l'application de la norme CAN/CSA-ISO 31000. Les copies officielles de la norme CAN /CSA-ISO 31000 sont disponibles dans la boutique en ligne du CSA.

L'examen public est prévu jusqu'au 21 Mars, 2010. Les membres qui désirent examiner et commenter peuvent le faire par l'intermédiaire du site internet du CSA: [https://review.csa.ca/opr/opr\\_list.asp](https://review.csa.ca/opr/opr_list.asp)

*The Canadian Water and Wastewater Association (CWWA) was established in 1986 to represent the common interest of Canada's municipal water and wastewater systems to federal and interprovincial bodies with respect to policies, programs, national codes, standards, and legislation. CWWA's membership has expanded to include other than municipal systems, giving our members an even stronger voice in Ottawa.*
