

Ontario Coalition for Sustainable Infrastructure

Who Are We?

The Ontario Coalition for Sustainable Infrastructure brings the combined resources of five well-established organizations together to work toward Sustainable Infrastructure in Ontario.

Water Environment
Association of Ontario

Ontario Public
Works Association

Ontario Water
Works Association

Municipal Engineers
Association

Ontario Good
Roads Association

Our Mission

The mission of
OCSI is the promotion of
“Safe and Sustainable Infrastructure”

Our Goals

The goals of OCSI are:

- To provide professional advice relating to infrastructure and promote reasonable, workable legislation relating to that subject.
- To facilitate the sharing of information among member organizations and coordinate their approaches to common issues
- To be an authoritative and professional voice on infrastructure matters
- To provide sound advice that Government can rely on
